Title of the project: Free Resourceful - Entrepreneurs Experiencing

Daringness On The Move-FREEDOM

No. contract: 2014-1-RO01-KA202-002946

No. 882/21.07.2016

INVITATION

Dear Mrs/Sir Head Master,

We have the greatest pleasure to invite you to participate on Friday, 19th August, 9 o'clock a.m., at the multiplication event - The Conference of the closure, in the framework of the Erasmus Programme+, project no. 2014-1-RO01-KA202-002946, „FREEDOM - Free Resourceful – Entrepreneurs Experiencing Daringness On the Move” strategic partnership in the field of vocational training, which is held in the following organisations in Europe:

Istituto d'Istruzione Superiore Crocetti-Cerulli from Giulianova - Italy, Esemble Scolaire Lasalle Saint Charles from Saint Pierre-Reunion Island, France, Struer Oestre Skole from Struer-Denmark, Etimesgut Halk Egitim Merkezi from Ankara-Turkey, Srednja zdravstvena in kozmetična scola Maribor from Maribor-Slovenia, Sint-maartenscollege from Maastricht-Holland, Secondary School no. 5 and The Economic National College „Theodor Costescu” from Drobeta Turnu Severin-Romania, both.

The project has proposed the improvement of the online entrepreneurship competences of the students, especially for those who come from disadvantaged environments, in accordance with the local and regional plans of development, and with the development strategy for Europe 2020 as well, as a result of the implication of the disadvantaged students in a programme of an entrepreneurship qualification in the online space, by means of firms in the accounting area developed in the framework of the project.

The improvement of the digital competences and those of communication in business as well, in English in the online environment, represented a priority for the success of the project.

Blended Learning system by means of the sessions of the face-to-face done online and at the distance, offered students the chance to improve their competences in English, while ICT was the operative instrument through which they got entrepreneurial competences for online area.

In the framework of the project have been created the following intellectual outputs: a proposal of curriculum delivered under Blended Learning” E-Business&Internet Marketing for firms of innovative exercise space, an educational Kit with the video tutorials for a course delivered under Blended Learning, called ”E-Business &Internet Marketing for innovative firms of exercise, a guide registered with the ISBN: ”Tips and tricks for a Effective and Online Business Communication”, a platform for Blended Learning course and online educational game for the check in of online entrepreneurial competences.

We would be honoured if your institution may be present through its representative at the event organised by Secondary School No. 5, Drobeta Turnu Severin, as a project partner, the beneficiary of the project, responsible with the organisation of this multiply event.

All expenditure relating to travel, accomodation and meals will be supported by The Secondary School No. 5.

In order to draw up the all formalities of travel, please inform us about your agreement of participation at the latest by the date of 05.08.2016, by fax 0252211075 and email: scoala5drobeta@gmail.com.

With great considaration,

Manager,

Prof. Claudia-Gabriela Guina
